

DEPARTMENT OF STATE
WASHINGTON

7 January 1949

My dear Admiral Hillenkoetter:

Reference is made to your letter of August 5, 1948 concerning the title to property acquired by the Central Intelligence Agency for its operations on the island of Cyprus.

The Department has been successful in persuading the local government of Cyprus to amend its Corporate Bodies Laws of 1908 and 1931 so as to permit the United States Government to own property on Cyprus. This office's records do not indicate that it has received the original Certificates of Registration Nos. 271, 289, 5240, 348, 3531 and 350 covering the properties acquired by the Central Intelligence Agency on Cyprus. Only photostat copies have been received. If your office holds the original Certificates of Registration, please inform this office so that the record will be complete.

Sincerely yours,

(Signed)

Frederick Larkin, Chief
Foreign Buildings Operations
